NATURE OF EXHIBITIONS

Since the Reston Community Center is a public facility utilized by all members of our community, the nature of daily activities requires some discretion in the type of work displayed. Work that is sexually explicit (work that is representational or realistic in depiction of human genitals will be considered sexually explicit by the RCC), or is graphically violent will not be considered appropriate to the space. If artwork that does not meet these guidelines is hung, the Reston Community Center reserves the right to remove the work and store it until the artist can be contacted. Center staff and artists work together to create an atmosphere that is sensitive to the multi-use nature of the facility.

LIABILITY

The Reston Community Center will not accept responsibility for damaged or stolen work. Staff will take all possible care to safeguard the exhibit. However, this is a public space and artists submit their work at their own risk. The Exhibitor's Release at the bottom of the page must be signed.
